

*Do you or does someone you love have primary ciliary dyskinesia (Kartagener syndrome, "immotile cilia syndrome," or ciliary aplasia)?*

*Are you a health care professional managing the care of a person with PCD?*

*Do you feel alone, frustrated or confused by PCD?*

*Would you welcome the chance to talk to researchers, treating physicians and other families who have experience with this disorder?*

**Then join us for the 4th annual PCD Foundation Family Education Day in Buffalo, New York!**

---

**Dinner, Millennium Hotel**  
6:00 pm

### ***Sunday, August 13***

**Patient discussion panel, Millennium Hotel**  
9:00 to 12:00 pm

Feedback from previous Family Days indicates that patient discussion sessions are a favorite aspect of our education event. To allow for more time, this year we are moving the patient discussion session to Sunday morning. The discussion will be lead by patient and parent volunteers and the format will be flexible to allow for attendee departures. Topics will be chosen by the audience and will focus on issues of concern to the PCD community. Bring your questions and concerns! No topics are off limits.

### **Conference Hotel Information:**

A block of rooms has been reserved at The Millennium Airport Hotel Buffalo at the conference rate of \$89.00 (US Funds) + tax per night. The rate will be offered

based on availability prior to and after the event dates of August 11th –August 13th . **All conference sessions will take place at the hotel.**

Hotel reservations, cancellations and changes are the responsibility of the attendee. To reserve a room, please call the hotel's toll-free number at 800-323-3331, ask for reservations and identify yourself as an attendee of the "PCD Foundation" to ensure that you receive the conference rate. This special rate is only good on reservations made by July 15, 2006. After July 15th, remaining rooms blocked for the PCD Foundation will be released to the general public, and the prevailing rates will apply.
